Stunning Finishes

Goodbye paint.
Hello strength and durability.
Its colors are ultra-resistant to daily use and washing.

More than style

This machine stands out not only for its appearance, but also for its multiple qualities

It's automatic

With its Push Button operation, you only need to press once to enjoy a juice in 5 seconds.

Operating modes

You can serve the juice using the integrated jug or directly into the glass with its self-service tap.

Digital display

Monitor the machine's activity or the total number of oranges squeezed.

Integrated waste bin

Convertible for continuous emptying behind the counter.

Interchangeable colors

Easily change the color in an instant to personalize and adapt it to any space.

Triple safety system

Protects you from accidental opening or operation when not in safe mode.
