

NEW

Soul Series 2

The world of juice will never be the same again, thanks to the new Soul.

This is the start of a new future in which maximum innovation and authentic style are contained in the minimum space.

Small. Smart. Stylish

The first Smart Juicer

The first automatic juicer that provides information about the performance and productivity of your fleet of machines in real time.

Only the best juicing system can cater for any type of citrus

Soul juices limes, lemons and oranges ranging from 30-81 mm thanks to its new accessory kits.

Four models that multiply your options

Its cutting-edge design reflects the latest trends in coffee shops, boutique hotels, cocktail bars, juice bars and business centres.

Connect with your Soul

- Control your business remotely
- Improved machine productivity
- Preventive maintenance
- Error alert and solution management
- Configuration of Cashless mode

Push&Juice Natural intuition

A new way to make juice, at the push of a button.
